# ST JOHN FIRST AID ENDS

AJFC has been very proud of our long-standing partnership with St John.

Unfortunately, St John have advised us that they can no longer provide volunteers at our grounds

## WHAT DOES THIS MEAN?

St John staff will no longer be present at Campbell Park on weekends

The Club is actively seeking alternative options for this type of service but is finding it very challenging to find a suitable cost-effective supplier

The First Aid room will still be available the event of an injury. See AJFC Club Shed officials for access (when required).

Ice and other first-aid equipment can be sourced by AJFC Club Shed or Club Officials when at our home grounds

A young girl in a blue and green soccer uniform is captured in the middle of kicking a soccer ball on a grassy field. She is wearing a blue cap with the Mizuno logo, a green jersey with blue accents, blue shorts, and blue socks. The background shows a white fence and a blue car. # WET WEATHER

- AJFC Home Grounds (Campbell and Lysaght Parks) – Canada Bay Council website provides ground status; this is a guide; it doesn't mean a game is washed out.
- AJFC will notify Home fields closure to Mini-Roos coaches and managers via Social Media (Facebook page) and email.

**WET WEATHER**

Wet weather can cause fields to be closed by Clubs and/or local Councils when they determine that the field is not usable. The [Football Confederation of Australia Competition Management System - CDM App](#) is the final source of truth for teams as to whether their game is on or not according to the following rules:

- If a game is marked as "Pending" in CDM, the game is proceeding as scheduled at the present time and the team should prepare to attend the field.
- If a game is marked as "Washed Rescheduled" or "Washed Cancelled" in CDM, then the game has been called off and the team does not need to attend the field.

Teams should ensure that they monitor their CDM App carefully during periods of wet weather. It is important to note that in the event that a field is unavailable due to weather, games may be moved to another suitable field or a different location at short notice. The Association is in an effort to ensure that games are played.

If you are in the doubt about whether or not your game is proceeding, please contact your Manager and/or Coach for updated advice.

Please see the [Football Confederation of Australia Wet Weather](#) page for more information on the management approach to wet weather and the rescheduling of games.

COACHES LEAD AND SUPPORT  
DURING GAMES BUT ABOVE ALL  
LET THE KIDS PLAY!

# SIMPLE GAME DAY RULES

## **PLAYING FORMATS BOYS AND GIRLS AGED UNDER 6 & 7**

### **PLAYER NUMBERS**

Under 6 & 7 football should have a maximum of 4 v 4 on the field with no goalkeeper.

### **GOAL TYPE**

It is preferable that pop-up style portable goals are used where possible however, the use of poles or markers as goals is also suitable. Goal size of 1m x 1m

### **GOALKEEPER**

There are no goalkeepers in MiniRoos Under 6 & 7. It is the responsibility of the Game Leader to discourage children from permanently standing in front of the goal.

### **BALL CROSSING THE TOUCH LINE**

There is no throw in. A player from the opposing team to the player that touched the ball last before crossing the touch line will place the ball on the touch line and pass or dribble the ball into play. Opponents must be at least 5m away from the ball until it is in play. The ball must touch a teammate before a goal can be scored.

### **BALL CROSSING THE GOAL LINE**

There is no corner kick. Regardless of which team touched the ball last, a player from the team whose goal line the ball has crossed will place the ball anywhere along the goal line and pass or dribble the ball into play. Opponents must retreat to the halfway line and can move once the ball is in play. The ball must touch a teammate before a goal can be scored.

### **OFFSIDE**

There is no offside rule in MiniRoos Under 6 & 7. Game Leaders should strongly discourage children from permanently standing in blatant offside positions.

Objective:  
Pass the ball,  
First touch

# HOW AND WHAT TO TRAIN FOR AJFC MINI-ROOS PLAYERS

# MINI-ROOS TRAINING POINTERS

- Keep It Simple ...
- Focus on basic skills, fun and enjoyment
- Like all learning, repetition is at the core of football skill development
- Plenty of touches and repetition
- Make sure everyone is involved
- Avoid queues and waiting
- Ask yourself - “Does it look like football...”

# COACHING RESOURCES

## TEAM TRAINING PLANS

- There are many and varied training resources online including session plans, diagrams and videos
- Focus on one skill per training session
  - Striking the Ball, Running with the Ball, First Touch and 1v1
- Good Session Structure:
  - Do a warm-up (get the kids attention)
  - Teach the skill via an exercise (Learning)
  - Finish with a Game (Apply the skill)
- There are good resources at [Training Resources - Abbotsford Juniors Football Club](#) but feel free to find your own

# THE HOW MATTERS AS MUCH AS THE WHAT...

## PAIRS PASSING

On the Program Leader's signal, players in pairs pass a ball to each other three times between a gate. Then move to other gates to repeat the activity — continue for 30 seconds. Award one point for each gate they pass a ball through.

### ISSUES

• BEGINNING: 1 TO 5 MINUTES

### EQUIPMENT

• 1 football per pair; 1 set of cones (one set); 1 stopwatch or clock

### WHAT TO DO

#### Setting up

• Place out a gate with the opening side and have each player with a ball.

#### Playing

• On your signal, pairs pass a ball three times to each other, then switch feet and repeat the activity.

• Continue for 30 seconds until you call "Stop!"

• Place cones on goal for each gate. They pass the ball through these when.

• Repeat the activity with pairs trying to beat their own score.

### WHAT TO LOOK FOR

• When can they stand to make the cones easier to see?

• Are they repeating after each round?

### SUGGESTED CHANGES

• Make the gates smaller to increase difficulty.

• After 2 passes, the player with the ball remains at the gate until the other player finds a new partner.

## LOOK OUT FOR OTHERS

Players run in random directions in a defined area. Players are made aware of the fact that the activity is focused on learning to play safely in the presence of others.

### ISSUES

• BEGINNING: 2 TO 5 MINUTES

### EQUIPMENT

• Marker cones to define playing area

### WHAT TO DO

#### Setting up

• Define the playing area — a flat, dry, empty grassy area with a perimeter.

• Observe the players.

#### Playing

• Players move around, avoiding other players, the boundaries and the adults. For example, if playing outdoors, are there any trees or the ground?

• If indoors, are there any obstacles or walls?

• Change the boundaries — lay out cones, tape, etc., to alter.

• Add a ball and have players practice moving with ball at their feet.

### WHAT TO LOOK FOR

• Are players keeping their feet up?

• Can they see both feet with the ball?

• Add more to obstacle to increase difficulty.

• Reduce the size of the area.

Objective: Ball mastery? Keeping the ball.

## OCTOPUS FOOTBALL

Players with a football each attempt to run over the opponent's goal line. An 'octopus' stands in the center of the pitch and attempts to tag players as they cross. When tagged, players must freeze on the spot and attempt to tag off the player crossing with a ball.

### ISSUES

• BEGINNING: 5 MINUTES

### EQUIPMENT

• 1 football per player; 1 set of cones (one set); 1B

### WHAT TO DO

#### Setting up

• One player stands at the halfway.

• All other players start with a ball behind the goal line.

#### Playing

• On the whistle to begin, players attempt to cross the pitch to scoring with their ball and avoid being tagged by the octopus.

• Tagged players must freeze on the spot and hold their ball until their feet freeze. However they can tag other players that run past.

• The last player to successfully cross the pitch without being tagged wins.

### WHAT TO LOOK FOR

• Are players keeping the ball under control?

• Are all players remaining frozen?

### SUGGESTED CHANGES

• Add an extra octopus to increase difficulty.

• Add bonus points for goals and tags.

Objective: Running with the ball. Tag!

## FOLLOW THE BALL

2 to one another. Once the ball is passed the group should be aware they passed it. Play in groups of 5.

### EQUIPMENT

• 1 football per group

### ISSUES

• BEGINNING: 5 TO 10 MINUTES

• 1 to small groups (three to a circle with 1 ball per group)

• A pass the ball in another shape, not directly towards them, and follow their own and hand down if the cones they passed it to.

• Have who receives the ball, who is to receive, player who follows that player.

• When the ball is being of it, can they stay passed they can complete it 1 minute.

### WHAT TO LOOK FOR

• Are players aware of the ball?

• Are they getting a pass?

• Are they aware of the ball?

• Are they aware of the ball?

Objective: Passing the ball. Fast touch.
